

**Read the seen passage and answer the following question passage**

Then the friend went to see the middle brother who was priest the priest greeted him with joy and affection he said “uncle remember you had left the sack are rice with me one year ago I had kept it for my it for many months but then I was worried that it may it may get spoilt I distributed the Rise among the poor in your name they all blessed you for satisfying their hunger however I did that without your permission and I am willing to pay you back for the rice”

”No my boy you acted wisely and kindly the blessing that I got from the poor people are enough for me please don’t even think about money anymore “

When the friend went to visit the youngest son he too welcomed him with love and respect but he said that he had a confession to make the sack of rice was lying with me for a long time but then I had an idea I often go to neighbourhood farm to help with the work. I borrowed an unused plot of land from the farmer I exchange the sack of rice for paddy and sowed the paddy in the plot fortunately the crop Grew well and yielded 25 sacks of rice I have kept back five of the sacks of rice and Sold 20 of them here is the money .if you allow I would like you to keep a part of it as my share considering the labour and money I spent to get it all done  
A wide smile spread on friend’s face he had found his future son in law

**Questions**
